MEMORANDUM FOR THE RECORD:

1. Mr. Kirschstein suggested that it might be useful if he gave us some background information on himself before we settled down to our discussion, and I agreed that this would be helpful. Noteworthy for our purposes, in his biographic rundown was the fact he spent four years in the Air Force Security Service, during which time he was assigned first to Pakistan, and subsequently to Taiwan.

2. I told Mr. Kirschstein that I welcomed the opportunity to have a discussion with him, and would do my best to be as helpful as possible in responding to whatever questions he might have. I asked him if he could define for us the specific areas of his interest. He said that his current assignment in behalf of the committee staff is to investigate areas of overlap or duplication among intelligence agencies. I suggested that it might serve as a framework for our discussion if I gave him a general explanation of the areas of responsibility of Division D, and he agreed.
